

OSCAR DAVID RODRIGUEZ MARIN

SOFTWARE ENGINEER

PERSONAL PROFILE

I am a dedicated and innovative Software Engineer with a solid foundation in software development, combined with a fervent enthusiasm for staying at the forefront of technological advancements. My recent position as a junior developer equipped me with a diverse set of skills and a deep passion for both Backend and Frontend development. My ultimate professional aspiration is to establish myself as a proficient and visionary developer, contributing significantly to the evolution of cutting-edge software solutions.
